BANKR. P. 9019 ESTABLISHING PROCEDURES FOR THE TREATMENT OF
RECLAMATION CLAIMS

("AMENDED FINAL RECLAMATION ORDER")

Upon the motion, dated October 8, 2005 (the "Motion"),¹ of Delphi Corporation ("Delphi") and certain of its domestic subsidiaries and affiliates (the "Affiliate Debtors"), debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), for an order under sections 362, 503, and 546 of the Bankruptcy Code authorizing the Debtors to establish procedures for the resolution and payment of reclamation claims; and upon the Affidavit Of Robert J. Miller, Jr. In Support Of Chapter 11 Petitions And First Day Orders, sworn to October 8, 2005; and the Court having entered its Final Order on October 14, 2005 (Docket No. 230) (the "Prior Order"); and the Official Committee of Unsecured Creditors (the "Creditors' Committee") having timely filed an objection to the Final Order pursuant to paragraph 8 thereof on October 25, 2005 (Docket No. 636) (the "Objection"); and the Objection having been set for hearing on November 4, 2005; and the Debtors and the Creditors' Committee having resolved the

Objection through the entry of this Order; and upon the record of the hearing held on the Motion; and the Court having determined that the relief requested in the Motion is in the best interests of the Debtors, their estates, their creditors, and other parties-in-interest; and it appearing that proper and adequate notice of the Motion has been given and that no other or further notice is necessary; and after due deliberation thereon; and good and sufficient cause appearing therefor, it is hereby

ORDERED, ADJUDGED, AND DECREED THAT:

1. The Prior Order is amended and superceded in its entirety as provided herein.
2. The Debtors be and hereby are authorized, pursuant to sections 362, 503, and 546 of the Bankruptcy Code, to resolve Reclamation Claims in accordance with the Reclamation Procedures set forth below, including paragraph 3 hereof:

(a) Reclamation Demands:

- (i) All Sellers seeking to reclaim Goods from the Debtors shall be required to submit a written demand (a "Reclamation Demand"):
 - (1) before 10 days after receipt of such Goods by the Debtors; or
 - (2) if such 10-day period expires after the Petition Date, before 20 days after receipt of such Goods by the Debtors.
- (ii) Such a Reclamation Demand must identify with specificity the goods for which reclamation is sought and the basis for the Reclamation Claim.
- (iii) Any Seller who fails to timely submit a Reclamation Demand pursuant to section 546 of the Bankruptcy Code shall be deemed to have waived its right to payment on any purported Reclamation Claim.

(b) The Statement Of Reclamation:

- (i) Within 90 days after the Petition Date or receipt of a timely Reclamation Demand, whichever is later, the Debtors shall provide the Seller with a copy of the Reclamation Order and a statement of reclamation (the "Statement Of Reclamation" or the "Statement").
- (ii) The Statement Of Reclamation shall set forth the extent and basis, if any, upon which the Debtors believe the underlying Reclamation Claim is not legally valid (the "Reconciled Reclamation Claim"). In addition, the Statement shall identify any defenses that the Debtors choose to reserve, notwithstanding any payment of the Reconciled Reclamation Claim (the "Reserved Defenses").
- (iii) Sellers who are in agreement with the Reconciled Reclamation Claim as contained in the Statement Of Reclamation may indicate such assent on the Statement Of Reclamation and return the Statement to the Debtors' representative as set forth in such Statement, with copies to Skadden, Arps, Slate, Meager & Flom LLP, 333 West Wacker Drive, Suite 2100, Chicago, Illinois 60606 (Att'n: John K. Lyons, Esq. and Allison Verderber Herriott, Esq.) within 60 days after the date of receipt of the Statement Of Reclamation (the "Reconciliation Deadline").
- (iv) Sellers who are in disagreement with the Reconciled Reclamation Claim as contained in the Statement Of Reclamation (the "Dissenting Sellers") must indicate such dissent on the Statement Of Reclamation and return the Statement by the Reconciliation Deadline as provided in subparagraph (c) above. A Statement Of Reclamation returned under this subparagraph must be accompanied by:
 - (1) a copy of the Reclamation Demand together with any evidence of the date such Reclamation Demand was sent and received;
 - (2) the identity of the Debtor that ordered the products and the identity of the Seller from whom the Goods were ordered;

- (3) any evidence demonstrating when the Goods were shipped and received;
 - (4) copies of the respective Debtor's and Seller's purchase orders, invoices, and proofs of delivery together with a description of the Goods shipped; and
 - (5) a statement identifying which information on the Debtors' Statement Of Reclamation is incorrect, specifying the correct information and stating any legal basis for the objection.
 - (v) The failure of a Dissenting Seller to materially comply with subparagraph (d) above shall constitute a waiver of such Dissenting Seller's right to object to the proposed treatment and allowed amount of such Reclamation Claim unless the Court orders otherwise.
 - (vi) Any Seller who fails to return the Statement Of Reclamation by the Reconciliation Deadline or who returns the Statement Of Reclamation by the Reconciliation Deadline but fails to indicate assent or dissent shall be deemed to have assented to the Reconciled Reclamation Claim.
- (c) Fixing The Amount Of The Reclamation Claim:
- (i) The Reclamation Claims of (i) all Sellers who return the Statement Of Reclamation by the Reconciliation Deadline and indicate their assent to the Reconciled Reclamation Claim as contained in the Statement Of Reclamation, (ii) all Sellers who fail to return the Statement Of Reclamation by the Reconciliation Deadline, and (iii) all Sellers who return the Statement Of Reclamation by the Reconciliation Deadline but who fail to indicate either assent or dissent shall be deemed an Allowed Reclamation Claim in the amount of the Reconciled Reclamation Claim.
 - (ii) The Debtors are authorized to negotiate with all Dissenting Sellers and to adjust the Reconciled Reclamation Claim either upward or downward to reach an agreement regarding the Dissenting Seller's Reclamation Claim. The Debtors are also authorized to include any Reserved Defenses as part of any such

agreement. In the event the Debtors and a Dissenting Seller are able to settle on the amount and/or treatment of the Dissenting Seller's Reclamation Claim, the Reclamation Claim shall be deemed an Allowed Reclamation Claim in the settled amount.

- (iii) In the event that no consensual resolution of the Dissenting Seller's Reclamation Demand is reached within 60 days of the Reconciliation Deadline (or such later date as the parties agree), the Debtors shall file a motion for determination of the Dissenting Seller's Reclamation Claim and set such motion for hearing at the next regularly-scheduled omnibus hearing occurring more than 20 days after the filing of the motion for determination, unless another hearing date is agreed to by the parties or ordered by the Court (the "Determination Hearing"). The Dissenting Seller's Reclamation Claim, if any, shall be deemed an Allowed Reclamation Claim as fixed by the Court in the Determination Hearing or as agreed to by the Debtors and the Dissenting Seller prior to a determination by the Court in the Determination Hearing.

(d) Treatment Of Allowed Reclamation Claims:

- (i) The Debtors may at any point in these Reclamation Procedures satisfy in full any Reclamation Claim or Allowed Reclamation Claim by making the Goods at issue available for pick-up by the Seller or Dissenting Seller.
- (ii) All Allowed Reclamation Claims for which the Debtors choose not to make the Goods available for pick-up shall, subject to the review procedures with the Creditors' Committee set forth below, be paid in full as an administrative expense at any time during these chapter 11 cases in the sole discretion of the Debtors or pursuant to a confirmed plan of reorganization, in either case only if and to the extent that such allowed reclamation claims constitute administrative expenses under applicable law.

3. Notwithstanding anything in this Order to the contrary, prior to the Debtors' return of any goods in respect of any Reclamation Claim or the Debtors' acceptance or agreement

to the allowance of or the payment of any Reclamation Claim, the Debtors shall as promptly as reasonably practicable provide the professionals to the Creditors' Committee with a "Reclamation Report," the first version of which shall cover at least 75% of the face value of all Reclamation Claims asserted against the Debtors and later versions of which shall also cover such additional Reclamation Claims as is reasonably practicable. Each Reclamation Report shall include (a) a list of each reclamation vendor asserting a Reclamation Claim, (b) a summary of the assertions of each reclamation vendor and the amount of each Reclamation Claim, (c) the Debtors' legal analysis of, and position with respect to, any legal issues that relate to the validity and allowability of all or any material portion of the Reclamation Claims, (d) the Debtors' legal analysis of, and position with respect to, any legal issues that relate specifically to one or more Reclamation Claims and (e) the actions (including allowance or payment of a Reclamation Claim and any return of goods subject to a Reclamation Claim) that the Debtors propose to take with respect to each Reclamation Claim. The Creditors' Committee may file a written objection to all or any portion of a Reclamation Report (an "Objection") within ten business days after the Creditors' Committee's receipt of such Reclamation Report (or such later time as the Debtors and the Creditors' Committee shall agree in writing). Objections shall be set for hearing for the next applicable monthly omnibus hearing and noticed by the Creditors' Committee, both in accordance with the Case Management Order. If the Creditors' Committee does not timely object to a particular Reclamation Report as provided in this paragraph, the Debtors shall be entitled to take the actions set forth in such Reclamation Report. If the Creditors' Committee files an Objection, the Debtors shall not take any action with respect to the Reclamation Claims covered by the Objection to such Reclamation Report except in accordance with an order of the

Court and shall be entitled to take the action set forth in such Reclamation Report with respect to the Reclamation Claims not covered by the Objection.

4. All adversary proceedings, except those proceedings brought by the Debtors in accordance with these procedures (the "Reclamation Procedures"), in these cases relating to Reclamation Claims, whether currently pending or initiated in the future, shall be, and hereby are, stayed, and the claims asserted therein shall be subject to the Reclamation Procedures set forth herein.

5. In accordance with the foregoing and pursuant to section 503(b) of the Bankruptcy Code, vendors shall have administrative expense priority status for those undisputed obligations arising from shipments of goods received and accepted by the Debtors on or after the Petition Date.

6. To the extent necessary or appropriate, the Debtors shall seek Court approval of any settlements and compromises with trade vendors with respect to payments of reclamation claims.

7. Nothing in this Order shall constitute a waiver of any of the Debtors' claims against any vendor, including claims relating to preferential or fraudulent transfers and other potential claims, counterclaims, or offsets. The Debtors expressly reserve their rights to pursue such claims.

8. Nothing herein shall constitute a waiver by the agent under the Debtors' prepetition credit facility of its right to contest the allowance of any reclamation claim.

9. The entry of this Order is final.

10. Nothing herein shall preclude the holder of an Allowed Reclamation Claim from seeking payment of such claim in a manner other than that set forth in this Order.

11. The Court shall retain jurisdiction to hear and determine all matters arising from the implementation of this Order.

12. The requirement under Local Rule 9013-1(b) for the service and filing of a separate memorandum of law is deemed satisfied by the Motion.
